

TARANGIRE | LAKE MANYARA

Wildlife Safari

3 DAY / 2 NIGHT STANDARD LODGE ITINERARY

Day 1: Tarangire National Park

After an early breakfast at the Mbahe farm house your safari guide will drive you out into the Maasai Steppe, home to the many spectacular wildlife parks of Tanzania, including Tarangire National Park, a gem of a park often overlooked on the standard tour routes. Here you will see the magnificent baobab tree and can observe the numerous herds of elephant that are resident in the park, as well as impala, gazelle, zebra, wildebeest, warthog, baboon, buffalo, and lion. Picnic lunch en route.

Overnight: Tarangire Safari Lodge

The Tarangire Safari Lodge sits on a bluff overlooking the Tarangire River, the park's only permanent water source and a popular watering hole for elephant, buffalo, and other grazing herds. Accommodations are in bungalows and permanent luxury tents with full amenities strung out along the ridge. The lodge provides excellent buffet meals, a full bar, swimming pool, and a small gift shop.

Day 2: Tarangire National Park/Lake Manyara National Park

You will take an early morning game drive before breakfast to experience the park as it comes to life with the new day. After breakfast continue your game drive on to Lake Manyara National Park, a small and beautiful park famous for its tree-climbing lions and soda lake tinted pink with huge flocks of flamingoes. You will see hippopotamus floating in the lake or grazing at its edge. In the park's varied environments of groundwater forest, acacia woodland, and grassy flatland you can observe giraffe, buffalo, large troops of baboons, zebra, and monkeys. Manyara is also one of the best parks for bird watching as it boasts a profusion of more than 380 species. Picnic lunch within the park.

Overnight: E Unoto Retreat

Inspired by the architecture of a traditional Maasai village, the E Unoto Retreat's main lodge and bungalows blend in with their environment at the foot of the western wall of the Rift Valley escarpment. While at the Retreat enjoy the cultural and active trips offered by the lodge, such as hiking up the escarpment, bird-watching walks, bicycling, or a visit to a Maasai village, or just relax by the pool with a good book.

Day 3: Lake Manyara National Park/Arusha Town

After another early morning game drive into Lake Manyara National Park for more wildlife viewing or a leisurely morning at E Unoto, drive back through Arusha Town, the bustling commercial capitol of northern Tanzania, for a visit and shopping. Enjoy a relaxing dinner at the luxurious KIA Lodge, just minutes from Kilimanjaro International Airport, prior to catching your evening flight home.
